Seaview Orthopaedic and Medical Associates Opioid Medication Agreement

Please read through each statement carefully and sign the last page of this packet. By signing this packet you are agreeing with all terms listed. Should you be prescribed an opioid medication you would be expected to follow all rules listed.

- I understand that my provider may recommend opioid medication to treat my pain.
- I understand that this medication may be prescribed if the provider believes it is needed to treat moderate to severe pain after other treatments are unsuccessful.
- I understand that many medications can have interactions with opioids and may increase or decrease their effect.
- I understand that I must regularly update my current medication list with my provider.
- I will tell my provider the truth about my complete personal drug and/or alcohol history as well as the complete drug and/or alcohol history of my family.
- I understand that the start of an opioid medication is a test. Continuation of this medication is based on evidence of benefit, side effects, and compliance of this medication.
- I have received the opioid information packet informing me of certain risks associated with opioid medication as well as the proper methods of disposal for opioid medications.
- I understand that if I suspect that I may be pregnant, or plan on becoming pregnant, I will notify my provider immediately.
- I understand that there are many non-opioid medications and alternative treatments that do not involve the use of opioids. Having been informed of these non-opioid medications and alternative treatments, I freely consent to the use of opioid medications.
- I understand that I will take my medications only as prescribed and I will not change the amount or dosage frequency without approval from my provider.
- I understand that unauthorized changes to my medications may result in my medications running out early. Early refills may not be allowed.
- I understand that I am responsible for my medication and it may not be replaced if it is lost, damaged, or stolen.

- I understand that if I do not stop my medications correctly, I may have withdrawal reactions that may include stomach pain, nausea, vomiting, sweating, anxiety, and general discomfort.
- I understand that I will obtain all opioid prescriptions from my provider or, during his or her absence, by the covering provider.
- I understand that I must keep (and be on time for) all of my scheduled appointments with my provider.
- I understand that requests for medication refills must be made Monday through Friday from 8am – 4pm, two working days ahead of when my prescription runs out.
- I understand that my provider may request to assess my response to my medication prior to giving a refill.
- I will obtain all controlled schedule medications from one pharmacy. I will notify my provider any changes to my current pharmacy.
- I hereby permit my provider to discuss all diagnostic and treatment details of my condition with all of my other providers and the pharmacists at the dispensing pharmacy.
- I understand that my provider will have access to and frequently check my controlled medication prescription history.
- I understand that I may have to submit random pill counts as well as urine and/or blood drug tests as requested by my provider to monitor my treatment. If I refuse or skip my appointment for drug testing, I understand that my treatment may be stopped.
- I will not share, sell, or otherwise permit others to have access to my medication.
- I will not consume alcohol while taking opioid medications.
- I will not use illegal drugs such as heroin, cocaine, marijuana, or amphetamines. I understand that if I do my treatment may be stopped.
- I will treat the staff respectfully at all times. I understand that if I am disrespectful to staff or disrupt the care of other patients my treatment may be stopped.
- Upon completion of opioid medication I will give my left over medication to the police station or any prescription drug drop box. (for a list of medicine drop box locations please ask the front desk)
- I understand that if I, at any time, do not follow the rules of this contract or I am found to be untruthful about my drug, alcohol, medical, or prescription history, it could result in the discontinuation of further treatments, discharge from practice, and/or a prompt referral for assessment of addiction or chemical dependency.

We here at Seaview Orthopedics and Medical Associates are committed to work with you in your efforts to get better. To aid in you in this work, we agree that:

Seaview Orthopaedic and Medical Associates
Financial Policy and Patient Agreement

We understand that choosing a health care provider is an important decision and we appreciate you choosing Seaview Orthopaedic & Medical Associates. We are happy to explain our services, our financial policies, and the fees for our services, or the basis for determining the fees to be charged, and answer any questions you may have. We will provide a list of our current fees for standard services, upon request.

We do not charge a fee for preparing an insurance claim form on your behalf. We will charge a missed appointment fee if you fail to notify us at least twenty-four (24) hours in advance of your scheduled appointment.

We also know that insurance plans and payments are increasingly complex for our patients. We want you to understand your benefits and the financial arrangements for paying for the cost of your care. We will provide you a list of health insurers with which we are in-network, including Medicare. We do accept out-of-network benefits for all other insurance plans. These out-of-network benefits are different than if you received services from an innetwork provider. Your insurance plan may require multiple copays, higher deductibles, and coinsurance. Coverage will depend on the type of plan you have chosen. The amount, or estimated amount, that we will bill you for our services is available to you upon request and will be explained to you prior to providing services.

Financial Responsibility

As used below, “you” and “your” mean the patient/person financially responsible for payment for the patient’s care.

Although you are responsible for the entire bill when the services are rendered, it is our policy to bill your insurance carrier or other provider of medical benefits as a courtesy to you. While we will make a good faith attempt to verify your benefits prior to the first appointment, this is no guarantee that our services will be completely covered. You are responsible for understanding the details of your health insurance coverage, as well as fulfilling any requirements for coverage, such as pre-authorizations. Required co-payments and estimated coinsurances are to be made as services are rendered. Arrangements are to be made for payment of all amounts not covered by your medical benefits or estimated co-insurances as soon as those amounts are known.

If any payments of medical benefits are made directly to you for services rendered by Seaview Orthopaedic, you must remit such payment directly to Seaview Orthopaedic within ten (10) days of receipt. We will ask you to sign an Assignment of Benefits authorizing us to receive payments from your health plan for the services we rendered to you.

If you are a Workers’ Compensation patient the above policy does not apply to you. Be advised, however, that you may be responsible for the total amount of your charges if your Workers’ Compensation claim is denied.

As a service to you, we will keep a copy of your insurance card on file and will submit an insurance claim on your behalf to your insurance company with the information you have provided us. You must provide accurate information and any updates to your insurance information. Payment options at the time of service include cash, check or credit card. With your authorization, we will charge an approved credit card for the patient balance as determined by the insurance company once we have submitted a claim and received the Explanation of Benefits. If your medical benefits are not paid within thirty (30) days, the balance will be due in full from you.

If you fail to make timely payment for any amount for which you are responsible, you will be responsible for all costs of collection, including court costs, collection agency fees, and reasonable attorney fees, as allowed by law.

Financial hardship should never stand in the way of needed services. A determination of financial hardship can only be made on a case-by-case basis, in compliance with all of the rules applicable to our practice. Upon obtaining necessary information from you, we can make a good faith determination as to whether your circumstances constitute a financial hardship and what payment plan options you may have, including installment payments. Please speak to our patient advocate if you have any questions about our financial hardship policy.

Patient Agreement:

I have been informed if any of the services rendered to me by Seaview Orthopaedic and Medical Associates will be reimbursed at an out-of-network level. I knowingly, voluntarily and specifically select Seaview Orthopaedic and Medical Associates as my provider. I have read the above information and I understand and accept the terms and conditions of the above and I or my Guarantor will be responsible for the payment of my account.
