JOB TITLE: Acupuncturist

Education Requirement: Bachelor's and State Licensure

Supervisor: Physical Therapy/Acupuncture Director

JOB DUTIES:

To assess, plan, organize and participate in rehabilitative programs that improve mobility, relieve pain for patients suffering from disease or injury.

1. Perform and document initial exam, and evaluate data to identify problems and determine a diagnosis;
2. Treating patients with needles, cups, herbal supplements, therapeutic massage, acupressure, and other alternative health therapies;
3. Plan, prepare, and carry out individually designed programs of acupuncture treatment to maintain, improve, or restore physical functioning, as well as to alleviate pain and prevent physical dysfunction in patients;
4. Record prognosis, treatment, response, and progress in patient's chart/computer;
5. Identify and document goals, anticipated progress, and plans for re-evaluation;
6. Evaluate effects of treatment at various stages and adjust treatments accordingly to achieve maximum benefit;
7. Confer with patient and medical practitioners to plan, implement, and assess the intervention program; and
8. Review physician's referral and patient's medical records to help determine diagnosis and acupuncture treatment required.
9. Flexibility to cover and travel all locations
